Fellowship Notification

Title: CLCI Polanco Fellows Program

Funding Agency: California Latino Caucus Institute (CLCI)

Deadline: Completed applications are due 5:00 PM Friday, April 29, 2011.

Award:

- One round-trip airfare to Sacramento.
- Gross monthly stipend of approximately \$1,880.
- Health/dental benefits.
- Intro to Capitol Area Development Association for housing contacts.

Purpose:

Beginning in 2003, Polanco Fellows have been selected annually from across California to participate in leadership training and to learn about public policy and its application through the legislative process. As future leaders, the CLCI Polanco Fellows are expected to serve as change agents in California's underserved and underrepresented communities. The CLCI leadership development program provides training in public policy, leadership, strategic management and legislative processes as well as on equality, race, class and gender issues. Polanco Fellows gain sensitivity to and understanding of the needs of all communities represented statewide in California.

Eligibility:

- Candidates must have a demonstrated interest in public policy.
- Applicants must have graduated from a college or university (with a BA/BS degree).
- Excellent analytical and communication skills (oral and written)
- Be a California resident.
- Be a U.S. citizen or permanent legal resident

Program Requirements:

- Fellows must be 21 years of age.
- Work a minimum of 36 hours a week at the placement site.
- Attend all orientation programs.
- Attend pre-Fellowship retreat and leadership training.
- Participate in all designated CLCI sponsored activities.
- Participate in a six-month community service project.
- Prepare a final journal article reflecting on Fellowship expectations and experience.
- Comply with CLCI policies regarding work performance and personal conduct.

Application:

Application available online at <http://www.clcipp.org/polanco-fellows/apply-online.html>

The following items should be prepared and available in advanced of filling out the application:
